# DEAR COLLEAGUES!

It is our pleasure to announce that the eighth mini-conference for young mathematicians "The Skorokhod Readings" will be held online on **3rd of June** during the extended session of the seminar "Malliavin Calculus and its Applications".

Master students, PhD students and postdocs from all over the world will have a possibility to present their investigations in 30 minutes talks. This is the eighth such mini-conference that continues traditions of the Department of the Theory of Stochastic Processes of the Institute of Mathematics of NAS of Ukraine to attract young people to problems of modern theory of stochastic processes.

**All young researchers and students  
are welcome to participate in the conference!**

**IN ORDER TO PRESENT A TALK PLEASE FILL IN THE FOLLOWING REGISTRATION FORM:**
