FRACTALS AND MODERN MATHEMATICS CONFERENCE
dedicated to 50-year anniversary
of Professor M. V. Pratsiovytyi

<http://www.imath.kiev.ua/~baranovskyi/fmm2009/>

Doctor of Science, Professor Mykola Viktorovych Pratsiovytyi is a director of Physics and Mathematics Institute of Drahomanov National Pedagogical University, chief of Department of Fractal Analysis of Institute of Mathematics of the NAS of Ukraine and Drahomanov National Pedagogical University. His papers on fractal analysis, fractal geometry, probability theory et al. are widely known in the world. He will celebrate his 50-year anniversary on 18th December 2009.

On 24th December 2009 in Kyiv (Ukraine), Department of Higher Mathematics of Drahomanov National Pedagogical University and Department of Fractal Analysis will organize the conference dedicated to 50-year anniversary of Professor M. V. Pratsiovytyi. We suppose that colleagues and friends of Mykola Viktorovych will gather to congratulate him and discuss important problems of modern mathematics.

Conference themes:

- fractal analysis and fractal geometry,
- probability theory and mathematical statistics,
- number theory,
- functional analysis,
- differential equations and dynamical systems,
- mathematical physics,
- theory of complex systems,
- algebra.

Please drop a line to organizing committee if you would like to participate in the conference. We shall give more information about conference in the next announcements. Do not hesitate to email us if you have any questions or suggestions concerning conference.
